

MOTORCYCLE VOLUNTEERS NEEDED!

Join us for Bike MS: Escape to the Lake

Location: Moraine State Park to Conneaut Township Park

Dates: Saturday, June 6th, to Sunday, June 7th, 2020

Motorcycle Volunteers are a vital part of the Bike MS Ride experience. The National MS Society utilizes the increased mobility of motorcycle riders to supply support at major traffic intersections. Bike MS Motorcycle Volunteers offer assistance at road intersections, monitor traffic and increase the overall safety of the Bike MS Rides.

Motorcyclists are accustomed to the dangers cyclist face while riding and that is why we value the assistance of Motorcycle Clubs for Bike MS Rides! For volunteers helping both days, overnight accommodations and meals will be provided, if interested.
